Dr. Harold W. Reed, President

IN DEDICATION

To a man who has proven his belief in Olivet's past, present, and future through his many years of service. Through his tender spirit, patience, kindness and his love for God he has contributed much to the lives of Olivet's students, has been a sincere inspiration to his colleagues, and has challenged advancement and directed our Olivet as a torch bearer of Christian education.

His firm belief in Wesleyan theology exemplifies his dedication to his church.

He has provided strength and encouragement to many through his concern for individuals, our college, community and nation.

Therefore we dedicate the 1974 AURORA to DR. HAROLD W. REED.

But this is not enough to meet the challenge of our expanding student body and the knowledge explosion.

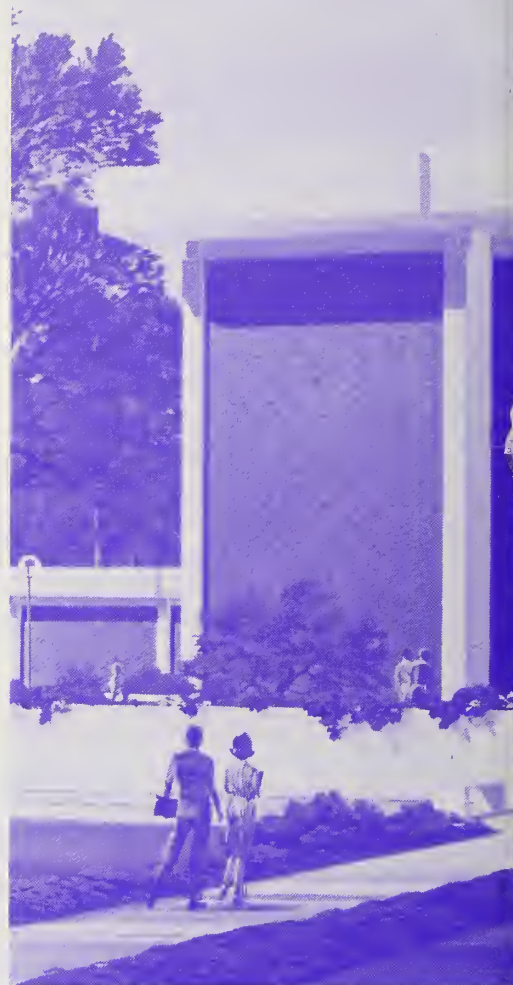

Therefore, Olivet Nazarene College launched a two million dollar campaign to enlarge the library which includes a Learning Resources Center. This addition to the library and new Learning Resources Center provides: the most modern library technology available, double study area for students and after hour study rooms, and expanded capacity from 81,000 volumes to 175,000 volumes.

STUDENT LIFE

REGISTRATION

Frustration seems to be the general feeling of students and advisors alike as classes close, numerous class conflicts occur, and the right person can't be found at the right time.

"Smile, hold it. Thank you, move on to the next section."

Prof. Woodruff helps students with classes.

Registration teaches patience.

"I'll trade my history book for your biology book."

Students pick up class change cards.

Bewildered students ask, "Where does all the money go?"

Step right up here and pick up your I.D. cards.

Faculty advisors help plan schedules.

Buying books is the final step in preparing for classes.

Are you sure you know what you're doing?

SLAVE SALE

"Who'll give me ten, who'll give me fifteen, who'll give me that twenty dollar bill??" And so the bidding goes. Excitement mounts as one by one ten beautiful girls are sold to daring bidders. Entertainment in the form of skits and songs by the Harem delights an attentive audience.

Now, what were those qualifications?

Every Man's Dream!

"I can't believe this is happening!"

MINISTERIAL FELLOWSHIP

ANNUAL PICNIC

During Ministerial Fellowship picnic faculty and members enjoy a game of volleyball.

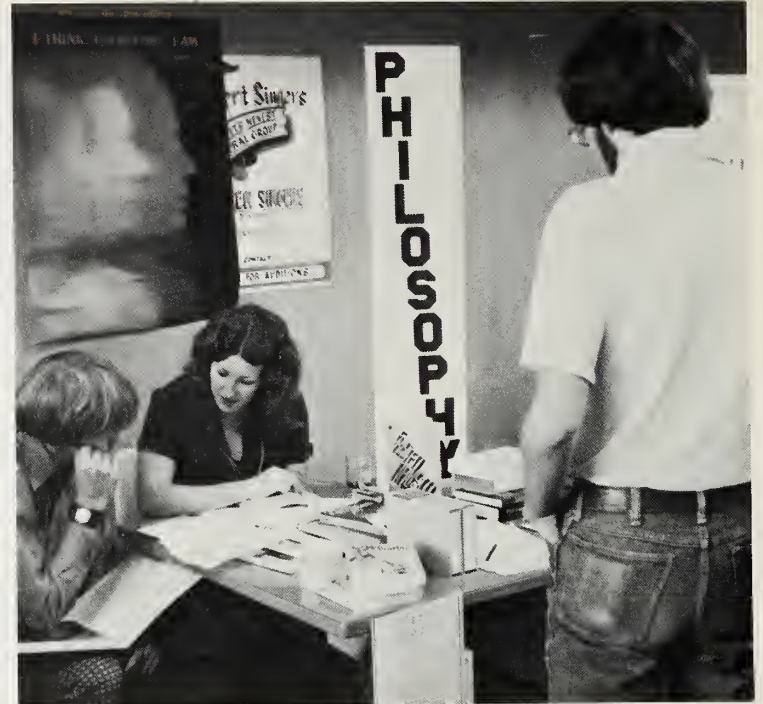

Ministerial Fellowship held its annual picnic at Dr. Woodruff's house. This meeting brought together all the religion students. It was a time to formulate ideas for the new school year.

Do ministerial students eat too?

CLUB DAY

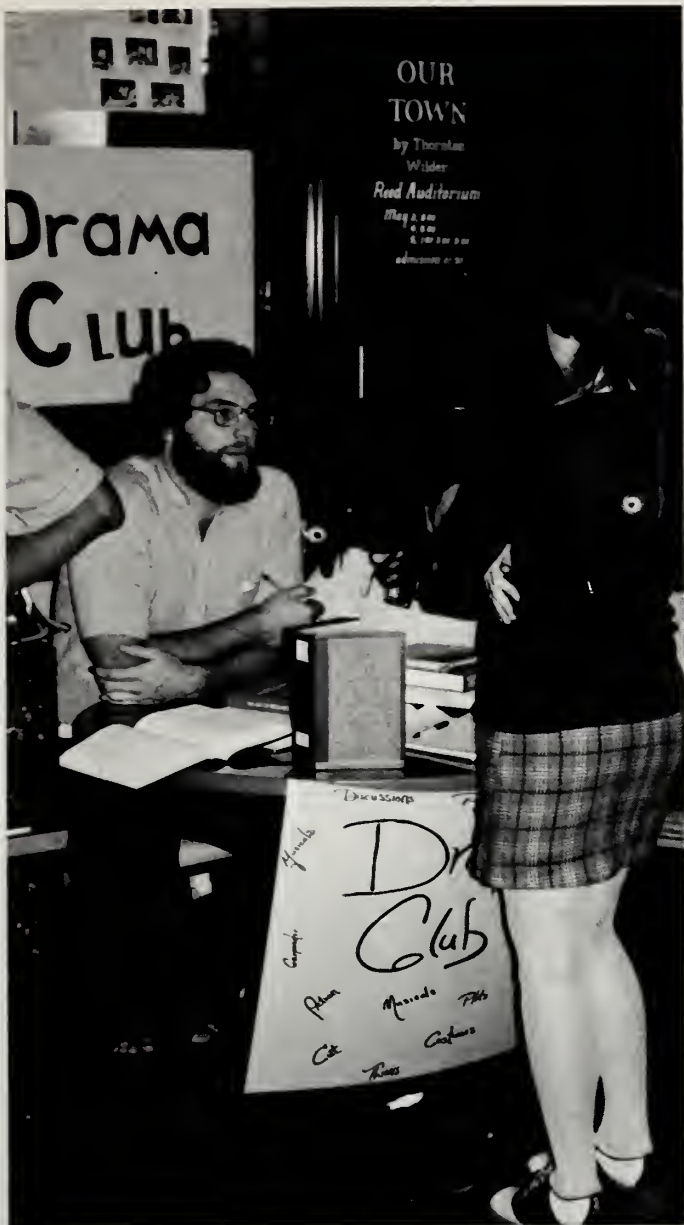

Step right up and join the club of your choice! A variety of interests were represented by different clubs in Ludwig Center on Club Day. Students were given a chance to join a club which would develop their interests and expand their horizons during the coming school year.

Is there a doctor in the house? This is the club for you.

"I'll sign my name, I'd like a dress like that."

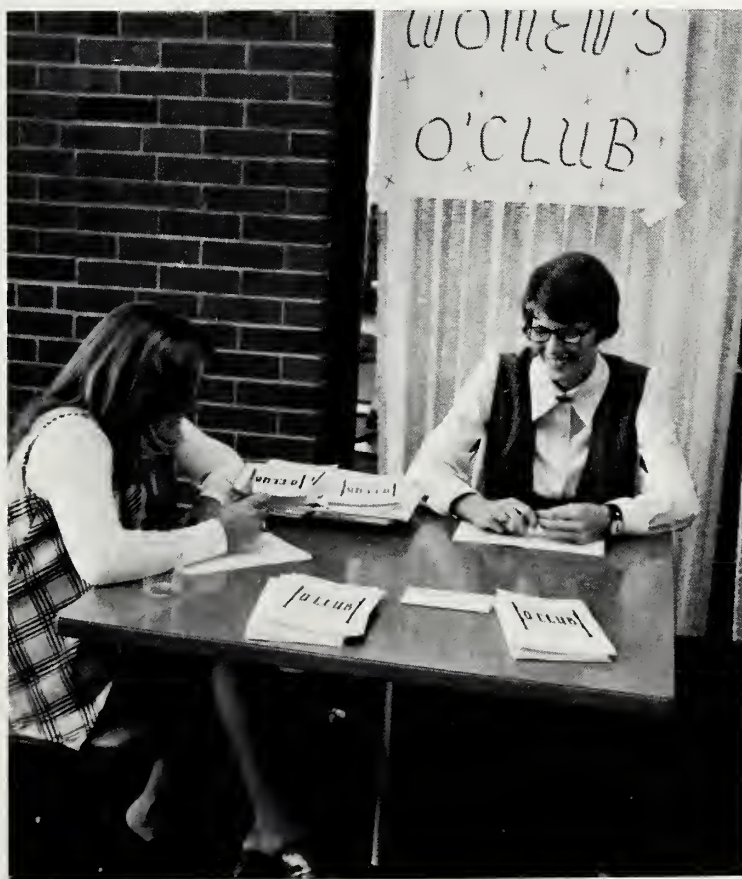

The show must go on.

OLLIE FOLLIES

This year Ollie Follies was tubs of fun! The day was packed with activities from the early bird football game to the final talent presentation that evening. The freshmen had a great talent presentation, the juniors really packed the tub, but the sophomores were tops in total number of points for the day.

Nancy, the one and only Ollie Follies official.

Boy, am I thirsty!

Juniors win now, seniors win later.

TWIRP WEEK

The agony of asking a man for a date was experienced this week by the girls of Olivet. Social activities of the week included an ice cream social with entertainment by the dorm mothers, a film, and an all school party.

What a mouthful!

Ice cream by candlelight.

Rinderella strikes again!

TRICK OR TREAT

This sucker is really good!

"Either candy or your life."

Even the resident director has fun.

"OK girls now stand in a line for your candy."

Olivetians revert to childhood as trick or treating began promptly at 7 o'clock with the women invading all the men's dorms. Men swarmed the women's dorms an hour later, rushing up and down halls in a mad race to hit all the rooms by 8:45.

RED CARPET DAY

As the morning of October 11th arrived, over 800 high school juniors and seniors invaded the campus. With the traditional pizza party, class visitation, a campus tour, and a chapel service with President Reed as speaker. This year's Red Carpet day was gratifying.

TELEVISION'S GOLDEN DAYS

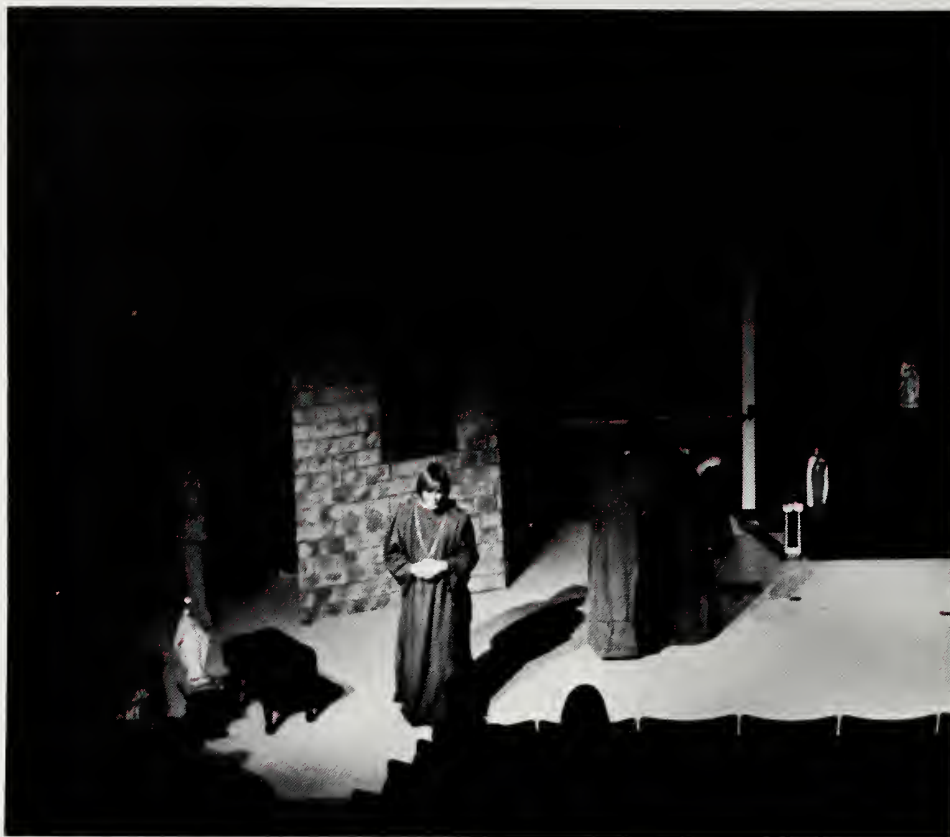

All the way from Art Linkletter and his little children, interviews to Johnny Carson, the Senior Class television skits were unique. Headed by Senior Class President Warren Lane, the skits provoked many different reactions and many great reviews.

ALL SCHOOL PLAY — LUTHER

Luther by John Osbourne was performed by the Drama Workshop students: Martin Luther — Emery (Buzz) Sheffield, Tetzel — John Stith, Knight — Tammy Sarver, Hans — Mark Bradford, Pope Leo — Randy Mashburn. The theme the students decided to stress was the necessity for each person to stand firmly by God-given convictions — no matter what personal or cultural conflicts may arise one must accept and live by what he knows to be God's truth.

CHAPEL AT OLIVET

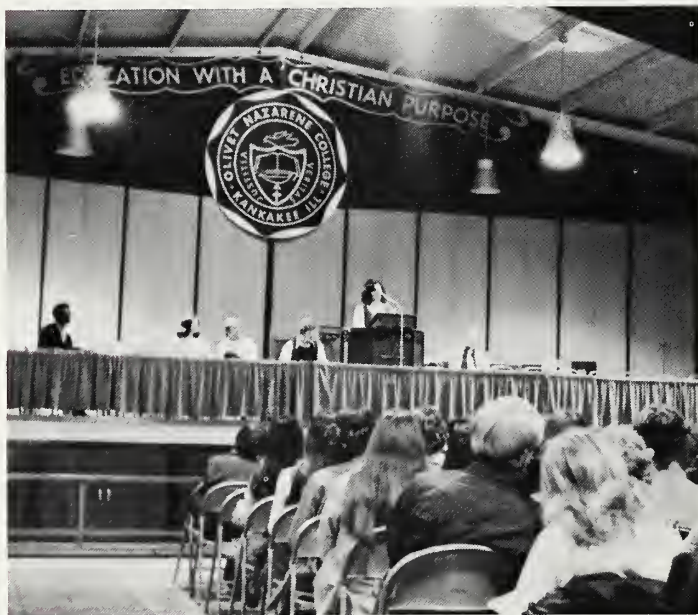

"Be still and know that I am God".

In the midst of a busy day, chapel can be a time of quiet meditation and awareness of God for the student at Olivet. Singing, scripture, prayer and a variety of speakers are woven into the chapel services.

Olivet Nazarene College provides "Education with a Christian Purpose." Chapel is one way to fulfill that purpose in both the school and the life of each student.

Chapel is held in Chalfant Hall.

Amahl, the crippled shepherd boy.

Kankakee County's first professionally-staged performances of the Christmas musical drama, *Amahl and the Night Visitors*, was on Olivet's campus November 29. The Culture Series Committee of Olivet Nazarene College engaged a professional company of singing actors who brought their costumes and scenery to the stage of Chalfant Hall on ONC's campus for two performances. *Amahl and the Night Visitors* is the touching story of a crippled shepherd boy, Amahl, who decides to give his most valued possession — a simple crutch without which he cannot walk — to the Christ-Child, and is suddenly and miraculously able to walk.

Amahl pleads with his mother about the star he has seen.

SPIRITUAL LIFE

Spiritual Life

- channeling the energy of students for God,
- uplifting the lonely; cheering the discouraged,
- creating a vital Christian attitude on campus.

Spiritual Life was led this year by Dave Skelton. Students were challenged to "reach out and touch, reach in and trust." Gospel Crusaders, Evangels, S.O.C., Scope, Missions in Action plus Basic and Collegians for Christ all provided excellent avenues for concerned individuals to use their talents for God. Among the activities were weekend services at churches, visits to nursing homes and mental hospitals, building a chapel in Central America and weekly sessions of drawing close to each other and to God.

COLLEGE CHURCH

Adjacent to the campus of Olivet is a beautiful structure which is a visible testimony to Christ and His kingdom. It is College Church and it stands as a place of worship for the campus and community. Under the leadership of the Holy Spirit and the new pastor, Rev. Bill Draper, College Church has grown to new dimensions. It is a place to quiet one's thoughts and gain strength to live each day. Here students are able to develop new relationships with God and His family. Through its worship we may realign our lives again with the laws and principles of God, and move forward with our brothers, on the pathway of the King. College Church joins hands with Olivet in seeing that each student has the opportunity to become a whole person in Christ.

PHILOSOPHICAL SOCIETY

Aristotle said, "It is with wonder that men begin to philosophize." No discipline encompasses the core of liberal-arts education so fully as does philosophy. "To know the chief rival attitudes towards life," observed William James, "and to have heard some of the reasons they give for themselves ought to be considered an essential part of liberal education."

BUSINESS CLUB

Each semester begins with a mad scramble to find good books, cheap books, used books, and neat books. Business Club has provided a solution to this — the Book Mart. This project also gives business majors and minors practical experience in managing a business.

Other activities on the agenda this year included their award-winning homecoming float, parties, special speakers, and a trip to New York during spring break.

ALL SYSTEMS ARE GO

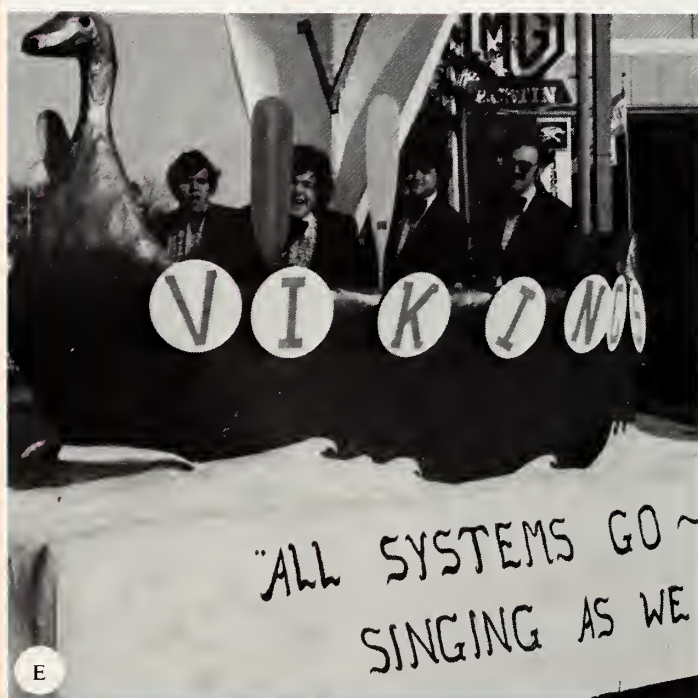

All Systems were go as the 1973 Homecoming activities boomed, November 16-18. After weeks of preparation and planning pep rallies, bonfire, basketball games, concerts, smorgasboard, style show, parade, and the coronation became reality. Through the efficient work of Rev. Ted Lee and many others, the Alumni Association celebrated it's 50th anniversary, making this year's Homecoming one to be remembered for many years to come.

The grand prize was then awarded to sophomore, Bonnie Olson.

CORONATION

"Liveliest of all the sunlight here beneath ..." was certainly a fitting theme as the WRA made plans go for the 1973 coronation. With Roger De Vore serving as emcee this year's coronation was exceptional. The court consisted of the following beautiful Olivet co-eds, Denise Kendall, Sharon Lunn, Connie Remole, Bev Snowden, and Vickie Trissel.

ORPHEUS CHOIR

Dr. D. George Dunbar, director.

After many hours of auditions, Dr. George Dunbar had selected the 61 members of Orpheus Choir. Soon after the choir began its rehearsals, announcement was made that Orpheus was selected for participation in the Music Educators National Convention in Anaheim, California on March 24. The selection reflected the group's standard of excellence and is an outstanding achievement in the choir's history.

The choir chartered an entire plane for the trip. For financial aid, Orpheus had many fund-raising projects, including recording a new album, "Joyful, Joyful, We Adore Thee" which features hymns from the new Nazarene hymnal.

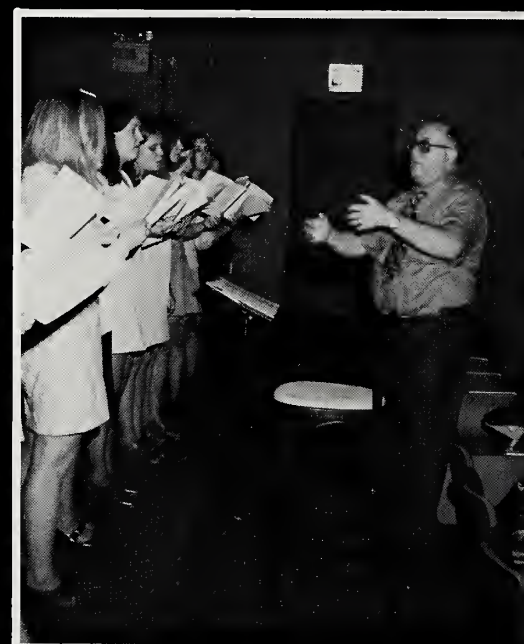

Other activities included participation at several church services, Homecoming, and a December weekend to Michigan. The tour to Wisconsin and Indiana took place in the spring semester besides a weekend tour to Mid-America Nazarene College. Two retreats and a formal banquet were a part of the social activities.

Fifty-two lovely and enthusiastic girls comprised Treble Clef Choir this year, under the direction of Prof. Irving Kranich. Homecoming and several church services in Illinois and Indiana kept the choir busy. Spring tour on April 17-21 took the group to Michigan. "Family of Man" which included percussion and piano accompaniment as well as some choreography and men's voices was featured at the spring Festival of Arts. A spring banquet was held for the girls and their escorts.

Prof. Gerald Greenlee, director.

Forty-five young men singing in their tuxedos complete with blue ruffled shirts are always a pleasing sight and sound for their audiences. Prof. Gerald Greenlee again directed the group. The Vikings were presented with the grand prize for their float for the Homecoming parade. A Red Carpet Day concert, participation at the Homecoming concert, as well as several church services were among the activities. Spring tour for the Vikings this year was April 17-21, where many were blessed by their message in song.

Brass music is always a delight to hear at a concert. Again this year the brass ensemble was active under the direction of Dr. William Tromble. An interesting chapel program on "Hymns of Worship" informed the listeners on the backgrounds for some hymns. Local churches heard the Brass Choir, as well as the St. Anne school system. The Winter Concert performed on December 11 included selections such as "Bartok for Brass" and "March for Tympani and Brass" by Heisinger, with Rick Stein as tympanist.

WIND ENSEMBLE

"Glorious Things of Thee Are Spoken" was a blessing to many who heard the Wind Ensemble perform it under the baton of Prof. Harlow Hopkins. A picnic and retreat began the year. On October 27 & 28 the ensemble traveled to Michigan for a weekend tour of inspiration to those who listened. Chapel programs, a concert at King Upper Grade School, a spring concert, as well as participation in the Homecoming Concert, the Arts Festival, and Commencement Exercises kept the group busily rehearsing. The spring tour was in Indiana this year. A Christmas dinner and a spring banquet were enjoyed by the ensemble.

A very versatile group on campus is the Concert Singers. This was demonstrated especially when the 16 singers not only sang but did some acting as the shepherd chorus in the presentations of "Amahl and the Night Visitors." The group was privileged to be chosen to provide the choral background in a recent recording for Hale and Wilder. The Concert Singers also sang the choral accompaniment for the soloists at the Homecoming Concert. As has been a custom, the group again provided the music for the Christmas party. Dr. George Dunbar directed the group.

Words are lost when
it comes to knowing these.
They warmed so many
hearts — and
those that knew them
mourned — cried.
But shall we say
don't — please
cry few tears
for
those that knew them
know
they left in their place
many cherished memories.
Cry for those that
never knew them
for those people
should cry —
they have no
memories.

WOMEN BASKETBALL

Women's Intercollegiate Basketball showed much enthusiasm and occasional sparkle. The girls played well and turned in a 6-9 season. Coach Carol Doenges put together a spirited group that shows a bright outlook for next year.

Superstar Kim Vorie sets up the play.

WOMEN'S TENNIS

Left-Right: Carol Albaugh, Karen Ling, Moya Sheirbon, Kim Ward, Cheryl Cross, Mary Rader, Coach Acord.

Olivet's Women's Tennis Team was poised and pretty after a strong fall season. Wins over Chicago State, Illinois Wesleyan and Elmhurst countered a single loss to Northwestern State. Led by four returning letter winners, No. 1 Senior Karen Ling, with 4 years experience; No. 2 Sophomore Moya Sheirbon with 2 years experience; Junior Mary Rader playing No. 3 in her third year on the team; and No. 4 Senior Carol Albaugh, lettering for her second year. Rounding out this year's team were Freshman Kim Ward and Senior Cheryl Cross out for her first year as a Tiger but formerly of BNC's tennis team.

The spring schedule included matches with Wheaton, Concordia, TNC, DuPage, U of I — Chicago, North Park, and Aurora. Coach Acord is proud of her netters and looks optimistically at next year.

WOMEN'S VOLLEYBALL

Women's Intercollegiate Volleyball provided a useful outlet for the energies of Olivet's young ladies. Spike, set and dig were integral parts of the game and our team played well. Next season looks good for Coach Acord.

Up and over for a big point.

Style and grace are the name of the game, spike like a champion.

Set it up . . . keep your eye on the ball . . . easy does it.

CHEERLEADERS

"We're going to the top and we can't be stopped," was a regular yell as this year's cheerleaders made their debut. This year was a good year as over 25 students tried out for cheerleading. This year's varsity cheerleaders were: Teresa Browning, Debbie Gribben, Karen Ling, Connie Moore, and Kathy Stark. Junior varsity cheerleaders were: Judy Chalfant, Sherry Furnish, Pam Chambers, and Kathy Stinell, Helping out the girls were male cheerleaders: Augie Galvan, Clyde Hall, Tom Laymon and Dennis Temple.

S SPORTS

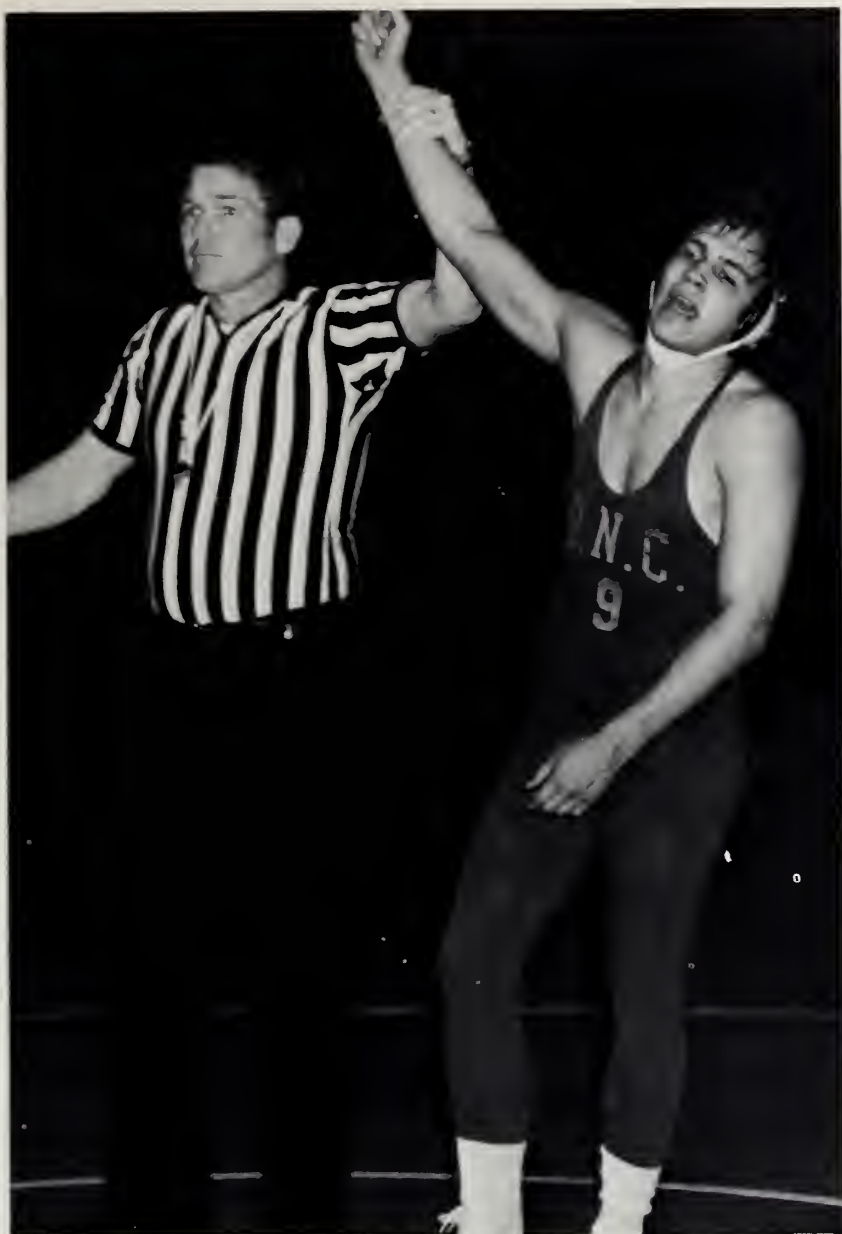

Our wrestling Tigers had a great season with first year wrestling Coach Larry Watson. Assisting him were senior co-captains Rick Blodgett and Steve Baker. Olivet matmen started out the season with a homecoming victory over Trinity, and ending up with a winning record of 9-4.

WRESTLING

Wrestling is becoming more popular at Olivet every year, with increasing interest shown by the student body. The Aurora Staff wishes Coach Larry Watson and his grapplers continued success in the future.

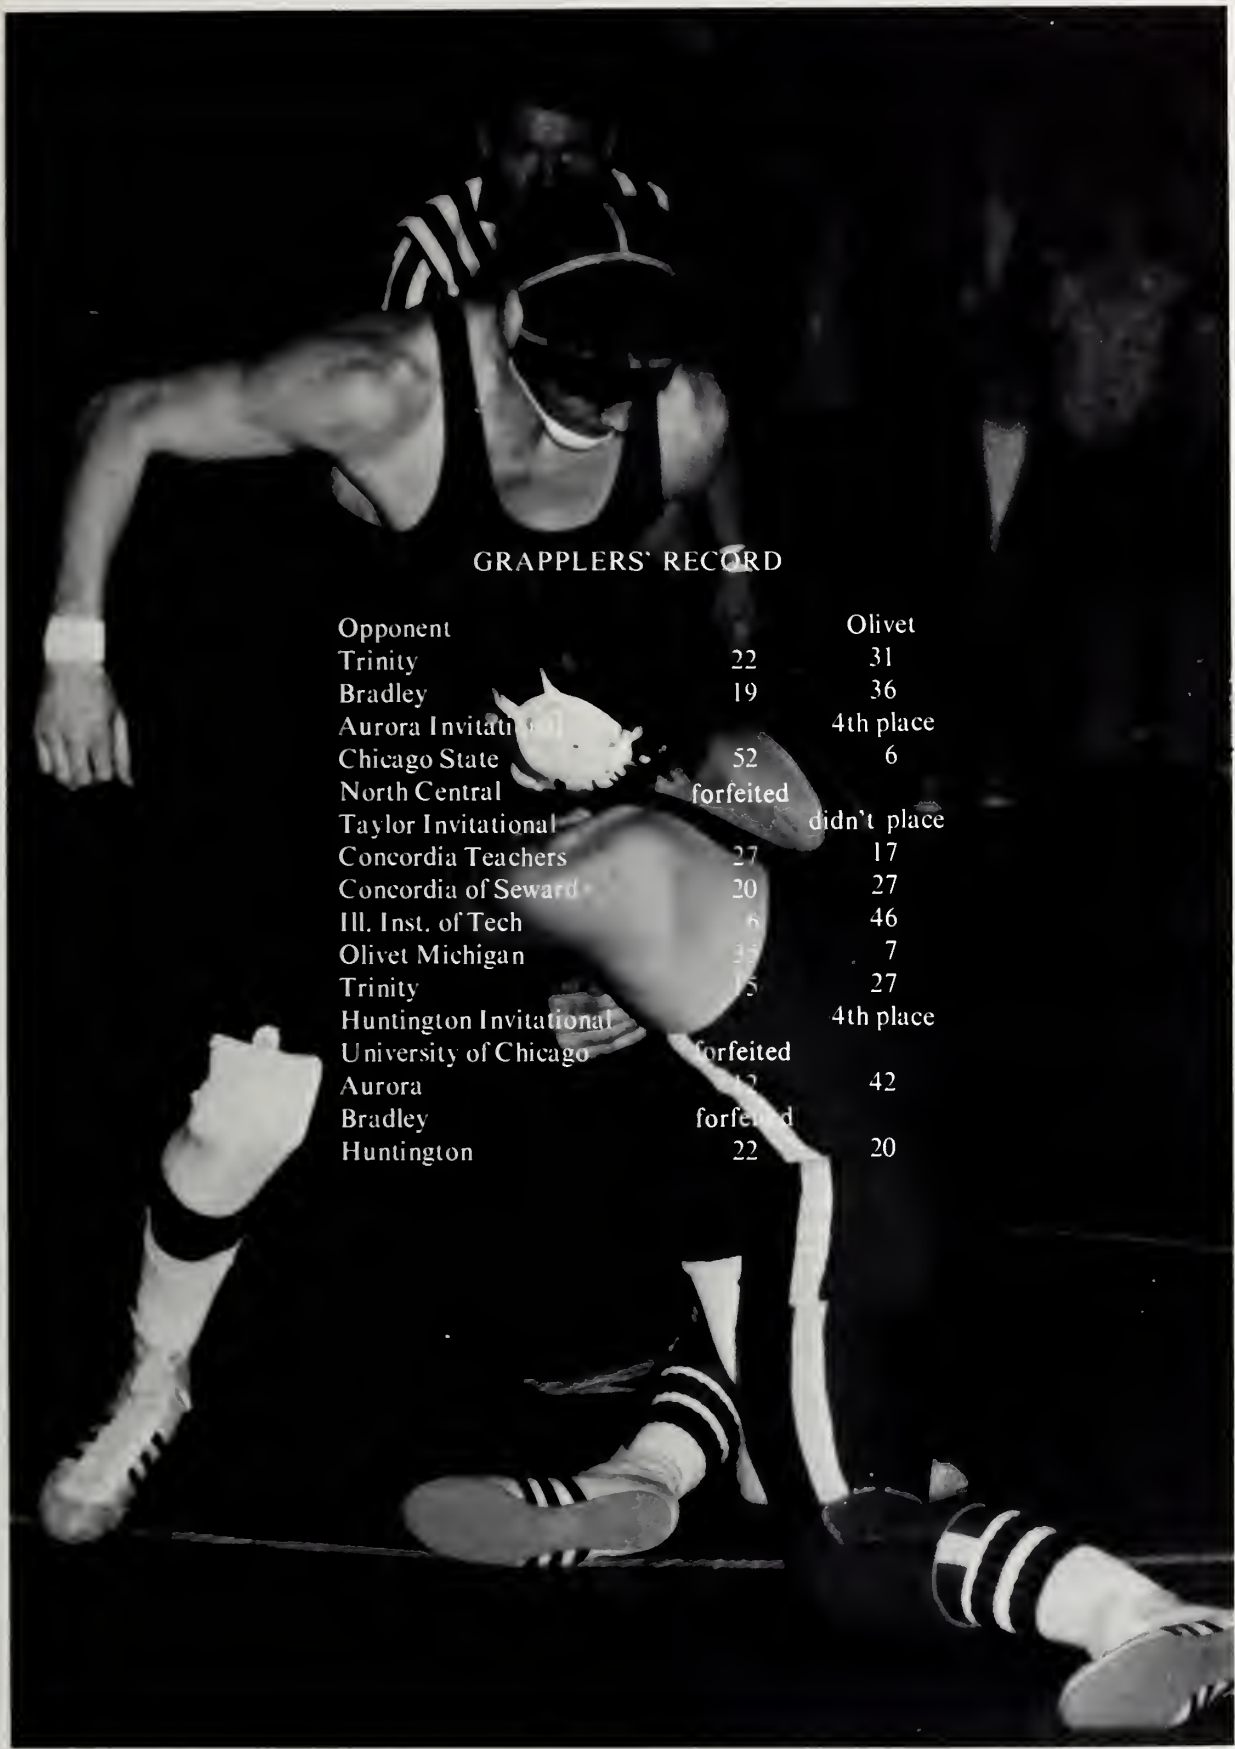

Ugh! It's over.

INTRAMURAL FOOTBALL

Intramural flag football proved very exciting this season. Beta's Bombers put together a perfect record in a string that now stretches to 16 consecutive wins over two seasons. Delta and Kappa provide keen competition but fell short in the home stretch. Final season records show:

Beta	8	0	1.000
Delta	6	2	.750
Kappa	5	3	.625

Olivet's tiger basketball machine sputtered just off the line but bounced back the last half of the season. Playing the toughest record in ONC's history, the roundballers rolled up a respectable 12-15 record. Birchard Fieldhouse became the scene of many fiercely contested encounters between the players, fans and refs; and the scene of exhilarating enthusiasm by the cheerleaders, the players and fans. Coach Butch Ward shuffled his lineup until we hit on a winning combination. Experience gathered this year will prove valuable next year with almost all the lettermen returning. Only senior Barry Stephenson won't be back for action. Optimism seems to prevail among all the cagers as they look on this year and look forward to next year. Five miles — five miles of agony, of stretched muscles and gasping lungs, this is the challenge of cross country. Olivet's young runners took that challenge. The beautiful terrain of Kankakee State Park served as the track for the Olivet home meets. Good signs for the future are Dave Leatherman's and Kent Lamb's fine performances which qualified them for national competition. This year's experience will add potential for Coach Wilson's oncoming teams for the future.

FACULTY AND ACADE

DEMICS

Dr. Reed speaks at Commencement.

Dr. Reed greeted the Honorable Gerald Ford, now Vice-President.

THIS I BELIEVE

- I. I Believe in the Christian World View.
- II. I Believe in the historic Christian creeds that unite in —
The thirty-nine articles of the Anglican Church,
The twenty-six articles of the Methodist Church
and
The fifteen articles of the Church of the Nazarene.
- III. I Believe in Christian education as taught at Olivet, and would gladly give my life again for this high and worthy cause.
- IV. I Believe in educating the whole man so that the entire redeemed powers of the person may fully serve God and needy humanity.
- V. I Believe in a great future for Olivet as long as learning and piety are wedded together on this campus.
- VI. I Believe that the students of Olivet are a vital part of the "salt of the earth," and that they can change our world if they give themselves wholly to this task.
- VII. I Believe in vision, for, "without a vision the people perish."
- VIII. I Believe that enthusiasm is a catalyst and when added to wisdom and experience it produces miracles.
- IX. I Believe in the thrust of dedicated personality. Here is my sociological equation:
"COMPLETE CONSECRATION TO CHRIST OF
TIME, TALENT, AND ENERGY
plus
COMPLETE CONCENTRATION OF TIME,
TALENT, AND EFFORT TO HIS KINGDOM
equals
A DYNAMIC THRUST OF PERSONALITY FOR
CHRIST AND HIS KINGDOM."
- X. I Believe that God has a divine pattern for every person who seeks earnestly to do his will.

LET US JOIN HANDS

IN

1974

PREACHING
PRACTICING AND
PROMOTING

SECOND
BLESSING
HOLINESS

1. We join hands with Dr. Harold W. Reed, President of Olivet Nazarene College, Faculty, Student Body and Graduates in maintaining the Cardinal Doctrine of The Church Of The Nazarene.
2. Holiness is sound in doctrine, Sane in appeal and Ethical in practice.
3. The Bible says, "Follow peace with all men, and holiness, without which no man shall see the Lord."
4. The Manual of The Church of The Nazarene says, "We believe that entire Sanctification is that act of God, subsequent to Regeneration, by which believers are made free from Original Sin, or Depravity, and brought into a state of entire devotion to God, and the Holy obedience of love made perfect."
5. The hymn writer says, "Holiness Unto The Lord," is our watchword and song, "Holiness Unto The Lord," as were marching along. Sing it, Shout it, Loud and Long, "Holiness Unto The Lord," now and forever.
6. The department heads of the INDIANAPOLIS DISTRICT wholeheartedly endorse the Doctrine and program of Holiness which is the life line of The Church Of The Nazarene.

How do you know a diamond?

Finding out about the precious diamond you wish to purchase is as simple as 1-2-3. And you don't even need your own *loupe* to do it! Choose a jeweler you can trust—one recommended by an organization such as the American Gem Society—and then rely on his high standards of ethics and trained gemological background to carefully and truthfully advise you. You will find such attention in our store. Do come in soon and let us show you our fine diamonds.

A quiet emptiness fills the AURORA office which for several months has been filled with activity of producing the 1974 AURORA. Already a feeling of pride in our finished product is being sensed. It is the sincere hope of the staff that you are pleased with this book.

We, the staff, wish to express our appreciation to all who made the 1974 AURORA possible. First, we wish to especially thank Dr. D. J. Strickler, our faculty advisor, and Dr. Lottie Phillips, faculty literary critic for the guidance, advice, and time spent assisting the staff. Our thanks to Blankenburg Photographers and Cromwell Music, Inc. for the copy of "I Believe." We also wish to thank each member of Olivet's faculty, staff, and administration for their outstanding cooperation. To Jostens American Yearbook Company and yearbook consultant, Seldon Marquart, we owe a special "thank you" for their help in planning and transforming our efforts into this book a college memory.

We wish to thank the churches, districts, merchants, and businessmen of the educational zone for their beliefs in Olivet. For without their help this yearbook could not have become a reality.

Last of all, my sincere thanks is extended to this year's staff who dedicated their time and creativity to the production of this yearbook . . . a reflection of the many experiences of life at Olivet Nazarene College.

The future will bring new faces and many changes on Olivet's campus but we will have this record of the 1973-74 memories for years to come. With this in mind, we the staff, present the 1974 AURORA.
